“... Doug Smith has a clear vision for Portsmouth.”

Doug Smith has the proven and extensive experience to be elected as our next City Council person and he has the correct vision for Portsmouth.

Doug Smith coordinated Vision 2005 which resulted in over \$100 million of investment in our neighborhoods will listen to us.

Doug Smith wants to cut real estate taxes. The taxes have been increasing every year and every year, it is long overdue to reduce our taxes. Doug wants you to keep your hard earned dollars in your pocket.

Doug Smith wants to hire additional police officers and retain more of our experienced police officers. We are short-staffed and we must place more police officers on our streets.

Doug Smith is committed to our students as he wants 100% funding for our schools. Our students depend upon us to make their lives successful. Doug firmly believes that great cities have great schools.

Doug Smith has an innovative plan to bring in thousands of dollars of private funds to improve our schools.

Doug Smith, as the City's Economic Development Director, raised over \$8 million in federal grants to build the Ocean Marine Project, Victory Crossing Business Park and Victory Crossing Shopping Center. Doug will work to bring more money into our neighborhoods.

Doug Smith has created 2,842 new jobs and brought in over \$246 million dollars of investments in Portsmouth. He will continue creating high-paying jobs for us.
